REPORT ON CONTRACTS WITH ARIZONA-BASED COMPANIES

On June 1, 2010, the Board adopted a motion, as recommended by Supervisors Molina and Yaroslavsky, to oppose Arizona's Senate Bill (SB) 1070 related to the enforcement of immigration laws. Subsequently, County departments have refrained from entering new or amended contracts to purchase goods or services from companies based or headquartered in Arizona, except in cases where it were legally impermissible or impractical, or resulted in significant additional costs to the County. Our Office has granted exemptions to the Arizona-based contractors and vendors that meet criteria outlined in a memo dated June 24, 2010.

Attached is the report which contains information on purchase orders, new contracts and extended contracts that met the criteria for an exemption during the fourth quarter of 2012 and the first quarter of 2013. Our Office will continue to report to the Board on any new exemptions made regarding contracts or purchase orders with Arizona-based companies on a quarterly basis, except in the event where no exemptions were made or unless otherwise instructed by the Board.

If you have any questions regarding this matter, please have your staff contact Gevork Simdjian at (213) 893-9736 or at gsimdjian@ceo.lacounty.gov or Lana Ghil at (213) 974-4134 or at lghil@ceo.lacounty.gov.
